IN THE SPECIFICATION

A substitute specification is provided herewith, in which sequence identifiers have been added on pages 27, 28, 36, 37, 40, 41, 43 and 48, as requested by the Examiner. The substitute specification is also amended herein on pages 58-60 to correct the inadvertent labeling of two of the tables in this application as Table 17. Please enter the substitute specification in replacement of the specification currently on file for this application. Applicants believe that no new matter is added in this substitute specification and its entry into the present application is respectfully requested.
